Follow Bozeman Creek: From the Headwaters to the East Gallatin River

Wednesday, October 29, 2008
12:00 to 4:00 p.m.

The tour will follow the Bozeman Creek watershed from the Gallatin Range to the East Gallatin River. Learn about the issues and the impacts on the entire Gallatin Valley

The Bus Tour:

The tour will begin at the K-Mart Parking lot at 12:00 p.m.
(by Famous Dave's BBQ Restaurant)

The route will follow Bozeman Creek from the City of Bozeman's Water Treatment Plant to Bogart Park and conclude at the City of Bozeman's Wastewater Treatment Plant outfall.
Snacks will be provided (sponsor to TBD)

Tour speakers to include Mark Story, USFS, Rick Moroney, Superintendent, City of Bozeman Water Treatment Plant, Dustin Johnson, Project Engineer, City of Bozeman, Bob Zimmer, OASIS Environmental, Inc., Tammy Crone, Gallatin Local Water Quality District, Tom Adams, Superintendent, Water Reclamation Facility, Mike Vaughn, Fish Wildlife and Park, and Representative, Association of Gallatin Agricultural Irrigators

Seating is limited: RSVPs will be required for the bus tour

Please RSVP by October 24:

Sharlyn Izurieta, Greater Gallatin Watershed Council Coordinator
